

THE POTTER'S HOUSE CHRISTIAN ACADEMY

2018 – 2019 PRE-REGISTRATION POLICY ACCEPTANCE FORM

THIS FORM MUST BE READ AND SIGNED BY PROSPECTIVE PARENTS BEFORE ENROLLMENT

ACADEMY PURPOSE AND BELIEFS

The Potter's House Christian Academy (PHCA) is a God-centered private school that offers an educational environment with morality and character building as its core, without compromising academic standards. The school's goal is to prepare the students for a productive life by instilling in them the word of God and teaching every academic subject from a biblical perspective. We want our students to understand that their lives have purpose and God has a meaningful plan for each of them.

We believe that everyone is born with a sin nature, and that it is through discipline and adherence to the word of God through a proper relationship with Jesus Christ that this sinful nature is defeated. We also believe that a healthy fear and reverence of God is the beginning of all knowledge.

We believe that education should begin, first, in the home and the Academy is merely an extension of the parent's responsibility of educating and training their children. Our role is to assist and encourage parents in fulfilling their God-given responsibilities.

PHCA is an extension ministry of The Potter's House International Ministries and is supported and governed by the leadership and authority of the ministry's governing body. The school reserves the right to dismiss any student whose moral conduct or character is in blatant and direct contradiction to the ministry's philosophy and mission.

PARENT'S RESPONSIBILITY

There are three (3) **MANDATORY** parent/teacher meetings held during the school year; one at the end of each of the first three grading periods. These meetings will keep you informed about what is going on in the life of your child and at the school. **Parents or designees are also required to attend any parenting workshops mandated by the school.**

It is the parent's responsibility to get students to school on time. Developing habits of timeliness is critical to success in life and strongly emphasized at PHCA. **Excessive unexcused absences (three (3) or more in a grading period) disqualifies a student from the Honor Roll. (Poor citizenship also disqualifies a student from the Honor Roll.)**

As you have elected to place your child in a Christian school, please keep in mind your appearance as well as those of your friends and relatives who may attend programs or events held by the school. Make sure your appearance is modest when on campus or in the presence of our children. Please do not be offended if administration has to address you or a family member.

ACADEMICS

Academic growth is greatly facilitated when parents are kept informed of their child's progress. Parents are, therefore, expected to assist students with their homework as needed and are **required** to sign all progress reports and homework assignment pads. (Parents of high school students are not required to sign and return progress reports or assignment pads.) Any student accepted into PHCA with less than a "C" average or a 2.0 GPA will be enrolled on a **probationary status** for the first nine-week period. **If grades do not improve at or above these standards at the end of the first grading period, the parent may be asked to withdraw the student. It is the parents'/guardians' responsibility to stay informed of their child's academic and behavior status through RENWEB.**
